

HSA Requirements – Healthy Schools Act Assessment and Evaluation

Mandatory Reporting

Under section 405 of the HSA, on or before September 30th of each year OSSE shall report to the Mayor, the Council, and the Healthy Youth and Schools Commission regarding:

- 1) Compliance of public schools and public charter schools with the physical and health education requirements of this title; and
- 2) Student achievement with respect to health and physical education standards

School Health Profiles

Under section 602 of the HSA, all DCPS and PCS shall submit information related to compliance with the PE and HE standards and other aspects of the HSA to OSSE by February 15th of each year. The OSSE SHP is utilized for this purpose.
